### **The Secret Cat (Tiger Days, Book 1)**

He was probably born soon after the fall of Granada, and lived through the various stages of state policy towards the Moriscos, from the initial tolerance and compliance with the terms of the capitulation of Granada, to the forced baptisms of the turn of the century, to the much more severely repressive royal ordinances against Moorish cultural practices as the century progressed.

### **Murders Most Foul: And the School Shooters in our Midst**

If one of the undeniable advantages of semidirect tests is that they make evaluation possible in the absence of local examiners, the flip side of the coin is that recorded questions not only cannot re-create the spontaneity of an actual conversation, but also lack in paralinguistic elements, such as gestures and eye contact, that are an integral part of real oral communication.

### **Murders Most Foul: And the School Shooters in our Midst**

If one of the undeniable advantages of semidirect tests is that they make evaluation possible in the absence of local examiners, the flip side of the coin is that recorded questions not only cannot re-create the spontaneity of an actual conversation, but also lack in paralinguistic elements, such as gestures and eye contact, that are an integral part of real oral communication.
