The Jubilee Calendar from Qumran: A Working Model

He secured support from the G7, an organization with an almost identical membership but whose agenda and actions were set by a quite different group of people from the member states: prime ministers and presidents rather than finance, foreign, and other ministers who were present at the meeting of the OECD Council at Ministerial Level.

Attachment, Evolution, and the Psychology of Religion

To counteract this downward pressure, management stressed the importance of PMI and concentrated much of its energy and attention on realizing the savings promised when the deal was announced.

May the Best Man Win

The petition is required to state, in a general way, the facts and proofs upon which the party is basing that assertion that one's marriage is invalid for the grounds selected by the petitioner. It was the last serious threat to Western Christendom and so great was its impact that countries normally jealous and hostile sank their differences to throw back the armies of Islam and their savage Tartar allies.
