## **Summary & Study Guide: One of the Boys**

Indianapolis: Hackett, These texts in Old French can be very useful for anyone who is attempting to learn some Old French or who, just out of curiosity, wants to see what French looked like some eight centuries ago. Thus is set in motion a series of events that will project both professor and students into the past, where they will find themselves not only witnesses to but frightened participants in the seemingly endless violence of the French-English conflict.
